

FEDERAL FLOOD INSURANCE APPROVED FOR HANCOCK

Congressman William M. Colmer was just advised by the Department of Housing and Urban Development that Federal Flood Insurance coverage has been approved for Bay St. Louis, Biloxi, Hancock County, Jackson County and Waveland beginning June 30.

Owners of existing 1 to 4 family residences and small businesses may buy flood insurance from local insurance agents at a low subsidized rate under the new emergency flood insurance program. Those areas

become qualified under this program when they agree to adopt land use and control measures that will minimize flood damage to future construction.

Local insurance agents may obtain policies and other information from the National Flood Insurance Association Servicing Office which is Traveler's Indemnity Co., 200 E. Capitol St., Jackson, Miss.

Jaycee Awards Banquet Scheduled

George W. Howell, Vice President and General Counsel of Ingalls Shipbuilding Division of Litton Industries, a member of the Mississippi Economic Council's volunteer speakers bureau, has accepted an invitation to speak to the Bay St. Louis Jaycees at their Annual Awards Banquet on Tuesday, June 30.

Howell will make a presentation on "County Government". The program will be in the Bay-Waveland Yacht Club of Bay St. Louis and will begin at 7:30 p.m.

Howell was born at Fairfield, Alabama. He is a grad-

uate of the University of Alabama, where he received his law degree.

Now a resident of Pascagoula, he belongs to the Rotary Club, Hickory Hills Country Club and the Longfellow House.

Professional and business organizations which Howell is active in include: Chairman, legal committee, Shipbuilding Council of America, serves on various committees of the following organizations: Pascagoula Chamber of Commerce, Mississippi Manufacturers Association, both Mississippi and Alabama Bar Associations.

GEORGE W. HOWELL

A most harmonious meeting took place at the Bay St. Louis City Hall Tuesday morning at which cooperation for cleaning up the sand beach was the theme.

Attending the meeting were Waveland Mayor, Garfield Loder; Henry Spear, NASA representative; Robert Reighor, Bay Uptown Administrator; H. J. Hughes, Waveland Uptown Administrator; Russell Elliott, President, Hancock Board of Supervisors and the Bay St. Louis Communication Council.

All agencies will contribute heavy equipment and manpower toward a cleanup of the sand beach from Clearmont Harbor to Washington Street in Bay St. Louis. The heavy equipment will include bulldozers, graders, rakes, compactors, lifts and trucks. Sand beach debris will be picked up and hauled away.

Operation Sand Beach will begin at once with a county bulldozer scheduled to start yesterday afternoon. It is expected that the project will be completed in two to three weeks.

Plans call for cleanups of the most used areas of the sand beach first and then go back to the lesser used areas in a final cleanup.

All equipment will be left on the beach overnight watchmen will be employed to prevent vandalism, which has plagued owners of equipment on the beach during the night.

General Electric Company Reduces Area Work Force

GE announced today a reduction in force of approximately 50 people in the Bay Saint Louis-Mississippi Test Facility area. This reduction closely follows a reduction of some 120 people made just a few short weeks ago at which time Mr. John R. Picard, General Man-

ager, indicated the possibility of this action.

"During the past two years, GE has made every attempt to bring new business to the Gulf Coast in general and MTF in particular. Although we have had some success we have not been successful enough to prevent a layoff," said Mr. Picard.

"We have investigated every business opportunity within reason and a few that went beyond. We have prepared and submitted complex proposals for a wide range of business contracts, government and commercial, but the proposals that won contracts just did not supply the level of business we need to keep our payroll even half of what it was at the beginning of the year."

In connection with the reduction at the test facility GE also announced the partial closing July 1 of the MTSO Marketing and Administrative offices in Bay Saint Louis. Simultaneously, the Department will remove its engineering offices from 157 Main Street, Bay Saint Louis. Most of the employees working at these locations will be transferred to MTF; however, some of the people will be among those removed from the payroll.

CANDY STRIPERS
Hancock General Hospital Candy Strippers will meet at 10:30 a.m. Saturday, June 27, in the hospital conference room. All members are asked to attend.

Houses Mushroom In Spanish Acres

Homes are growing like mushrooms in the Spanish Acres Section, a recently annexed subdivision of the City of Bay Saint Louis and located just off the Old Spanish Trail. Three corporate builders are involved in the activity and include Lancaster Homes, building 29 houses, Kwik Roof, Inc. with 10 homes either built or under construction, and Jon-El Enterprises with 10 homes that have been completed. These homes,

according to B. D. Johnson, chief building inspector for the city are all subject to the 235 program.

Activities on the Jon-El Homes are now mostly concrete monoblocks needed to bring the structure up to code before they can be sold, according to Johnson who added that the Lancaster Homes were well designed and well constructed, and that the Kwik-

Six Escape Jail In Bay St. Louis

Six Hancock prisoners broke jail and escaped around four o'clock Tuesday morning. The prisoners included Layne Risher, his wife Janice, John Ireland and Margie Enoch all of California who were serving a 25-day sentence for soliciting without a permit. Layne Risher is awaiting trial in California and Ireland had jumped bond according to California officers who had been in communication with the Hancock County Sheriff's office. The other two prisoners were Joe Barnett and James Hogan who were in jail awaiting Grand Jury action. Both are Mississippians.

The break occurred according to Troy Page, Deaf Sergeant, when he was called at 3:30 a.m. via the intercom that one of the prisoners was sick and needed attention. When he went to investigate he was netted by two prisoners who had evidently picked a lock and were out of their cell. He was forced at gun-point to hand over his keys and then locked in a cell.

With Page's keys all other cells were unlocked and the six prisoners went out. Twelve other prisoners did not leave. The next then went to the evidence locker and took two .303 caliber rifles, a .22 caliber rifle and ammunition which had been taken from the Col-

formans. The sheriff's office was ransacked and \$35.00 taken.

The Californians' car at the Court House failed to start on account of battery trouble so it was taken out and the battery from Page's car was installed.

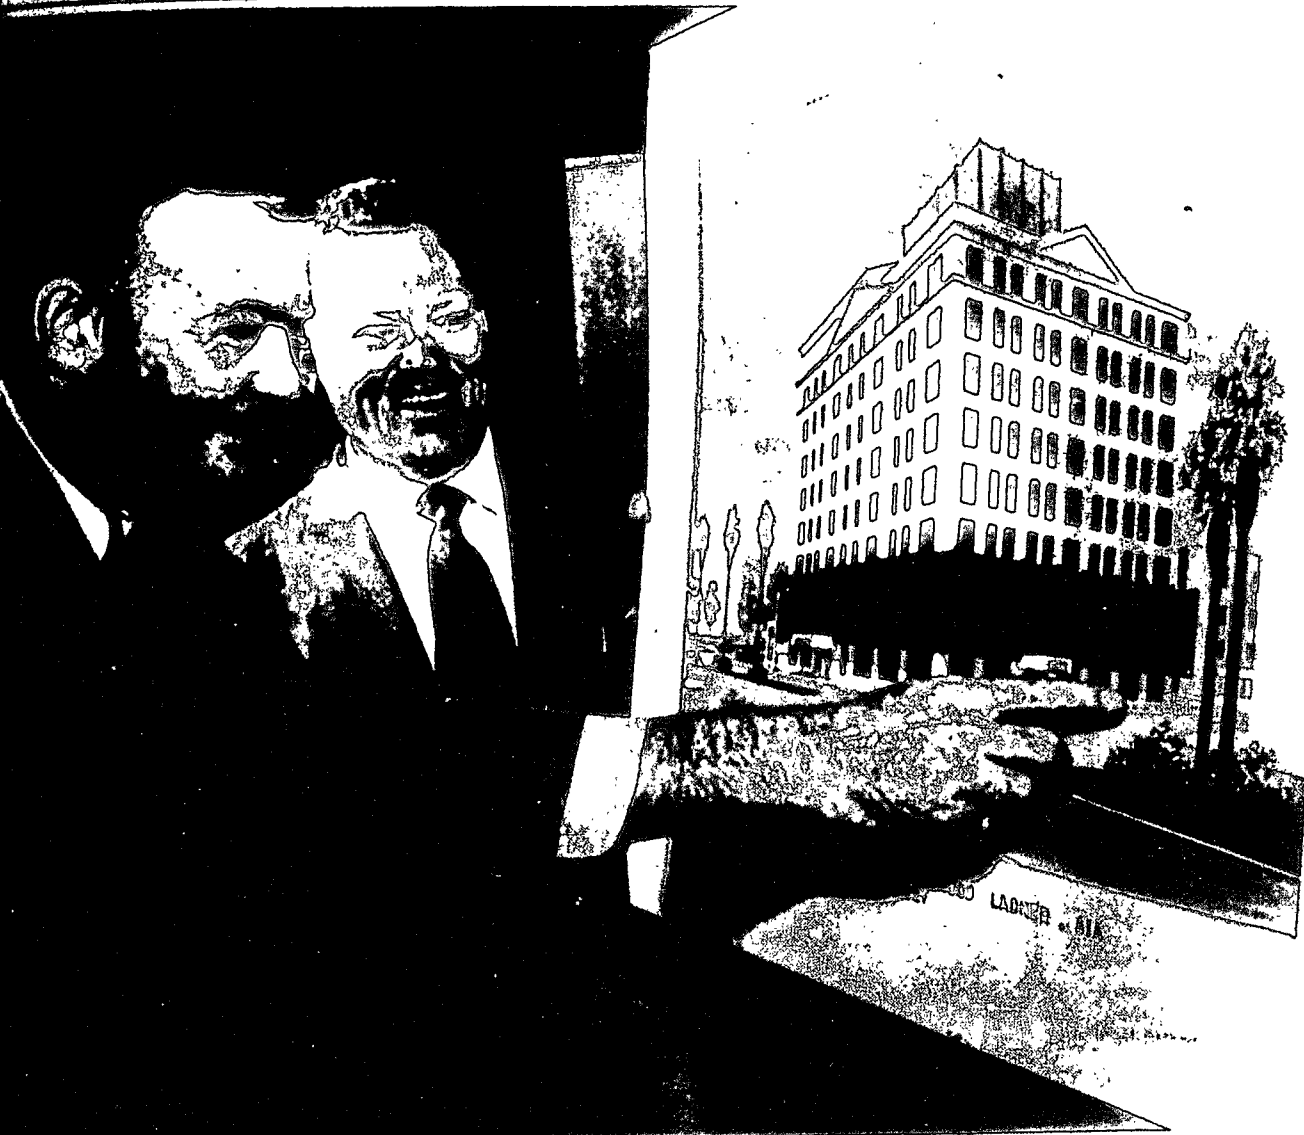

At noon Wednesday no trace of the escapees had been found although officials of six states have been given descriptions of the car and the prisoners. They are declared dangerous now as they have arms and ammunition.

Maintenance Program Planned

A new service in connection with Bay St. Louis voters meters to be planned, and when put into effect will serve as a "Proactive Maintenance Program," according to Operations Uptown administrator, Robert Reighor.

Reighor said that voter water meters do not function properly, it is necessary to send them out of the area to be tested and repaired, when needed, obtained. This procedure is time consuming, as well as costly, and with the purchase of City-owned testing equipment local men can be trained to make the tests and install the needed parts.

Reighor said he believes every effort should be made to find suitable employment for local people, although the present unemployment rate is not alarming.

HAAS JR., president of Security Savings & Loan Association, which has its home office in Bay St. Louis and branch in Gulfport, has taken a 90 day option to purchase and remodel in downtown Gulfport. At Monday's press conference to announce the new business venture Haas dis-

cusses the architect's drawing of what the new complex - to be known as Security Savings Building will look like after remodeling and new construction with Robert Derwood Lader of Gulfport, project architect.

Bay Financial Institution To Purchase Gulfport Landmark

Security Savings and Loan Association, with home offices in Bay St. Louis and branch in Gulfport, has taken a 90 day option to purchase and remodel in downtown Gulfport. At Monday's press conference to announce the new business venture Haas dis-

immediate access to the street, along with the company's own business area downstairs.

They said an executive club, with restaurant and lounge, is planned on the 140-foot-high roof garden area. On the floors immediately below the roof garden, luxury one- and two-bed efficiency apartments are planned.

On the remaining middle and lower floors, leased offices and specialty shops are proposed. The architect said the swimming pool, the rear porch and the small rear building (formerly the Basketball Club) will all be demolished to make way for parking area.

He said the future includes a multi-story parking garage behind the building, but this would not go into initial construction.

Gulf Paving, Bay St. Louis In Damage Suit

Mrs. Rose T. Bruno, a Louisiana woman, has filed a \$75,000 damage suit for personal injuries naming the Gulf Paving Inc., a Mississippi corporation and the City of Bay St. Louis as co-defendants.

Mrs. Bruno alleges that on June 26, 1969, at about 12:15 p.m., she was driving on Washington Street in Bay St. Louis when her car struck a manhole, causing her severe and permanent injury together with loss of income and other losses.

She alleges the street was in a hazardous condition, unfit and unsafe for travel or public use. She further stated the manhole, causing her severe and permanent injury together with loss of income and other losses.

Information as to when this case will come to trial was not immediately ascertained since Gerald Cox, attorney for the city, was said to be out of the city as this paper goes to press.

LOUIS MAYNE

Bayside Park Youth Drowns

Louis Anthony Mayne, seven year-old son of Mr. and Mrs. Carroll F. Mayne of Bayside Park, was drowned Saturday morning when he fell from the Phillip Shaw of Gulfport and Mayor Warren Carver of Bay St. Louis.

Shaw said the building was planned on a pattern successful in other cities, and called the proposal a display of confidence in the city, placing his administrative support.

Mayor Carver said the plan was "an act of faith" on the part of Security, and a big step in the County's hurricane rebuilding plans.

Officers of Security Savings are: Norton Haas Jr., president from Bay St. Louis, Robert Lader, vice-president from Bay St. Louis.

The following day about 25 boats with some 50 volunteers civil defense workers joined in the search as did the Hancock County Civil Air Patrol and the Harrison County Civil Air Patrol. Coast Guard helicopters flew two missions, dropping back an unidentified diving back from Biloxi, Louisiana in the vicinity of Grassy Sho.

Mrs. Myrtle Smallwood Attends State Convention

Gulf View Haven Nursing Home was represented at the Mississippi Nursing Home Association's annual convention at Edgewater Hotel June 17-20 by Mrs. Myrtle R. Smallwood, R.N., Administrator and Director of Nurses.

A seminar for nursing home administrators was held Thursday at the University of Mississippi. During the morning sessions Dr. Charles E. Sloope, Director of the Mississippi State Hospital, spoke on the Social Service Aspects of Geriatrics. Later in the afternoon a film, Mrs. Reynolds Needs a Nurse, was viewed and a question and answer period was conducted by Doctors Sloope and White, Mr. Haggard and Mrs. Alford with the session ending at 5 p.m.

The seminar for registered nurses and administrators was designed to provide nursing home administrators with advanced instruction in medical, medical, psychiatric, psychological, and social service aspects of geriatrics.

Mrs. Smallwood, along with other administrators attending the seminar, was awarded a certificate for Practical Geriatrics. Attorney General A.F. Summer was the keynote speaker at Friday night's convention banquet and Hal Flier served as toastmaster.

Earlier in the evening a seven-man panel was conducted by members from various medical fields, including Mississippi Medical Commission, Mississippi Health Department, Department of HEW, Mississippi Department of Public Welfare, Mutual of Omaha and Blue Cross.

The convention concluded at noon Saturday with an open forum on Licensing of Nursing Home Administrators with Gerald Bishop, Magnolia Manor, American Georgia Vice Chairman, Georgia Nursing Home Administrators' Licensing Board, presiding.

Shower Honors Mesdames Wayne Favre of Pineville, Mrs. Forest Favre, New Orleans, and Mrs. Billy Scarborough of Jackson, Miss., hosted a bridal shower last Thursday night at Cedar Grove Center, North Biloxi, honoring Miss Sharon Virginia Ward, bride-elect of David Hines.

A pink and white color scheme was used in the decorations and refreshments. Miss Ward, daughter of Mr. and Mrs. Arthur Ward, nee Bee Bee Favre, formerly of Bay St. Louis, will be married July 11 at St. Alphonsus Catholic Church, Ocean Springs.

Dear Little Child, this little book is less a primer than a key to reader gales where wonder waits Your "Open Seacano!" (By Robert Hughes--With a Pencil Reader)

You, children, you can not only find Seacano School on television, but your library card is an "Open Seacano" to any book in the library, and books are an "Open Seacano" to the whole world and everybody in it.

And, too, the library is sponsoring a Summer Reading Club for all of you from seven to twelve years old.

Read 15 or more books during the summer by August 15, and you will receive a certificate from the library. Too, you will get an "Out-of-this-World" summer reading book-mark.

One favorite book ended with the poem: "What do we do when a book is read? That's right, children; we go to bed."

"But that's not a red book; it's blue" was one little girl's comment on that "off color" story.

Children of that age--three to five--have a special treat at the library on Thursday mornings from 11 to 11:30 at the Children's Story Hour.

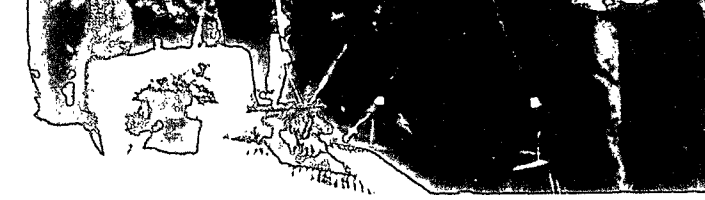

Stories are interspersed with records of songs and games accompanied by books of illustrations.

Dr. Sousa, is there, of course, and tales of dogs, cats, and ducks, as well as other animals.

During the month of June Mrs. P. J. Benvenuti has been telling the stories to groups of 12 to 15 children. Come to see Mrs. Humphreys at the 11-brar-ee Check out any book you want from A to Z

Yes-sir-ee You can get a book from the 11-brar-ee Any book you like from A to Z

The library would appreciate donations of children's books at this time. With the summer visitors in addition to the local children, the supply of children's books is running short.)

CEDAR REST CEMETERY has a lively group of Neighborhood Youth Corps workers busily engaged in a clean-up, fix-up project. 80 Lawyers To Be Honored

Some 80 lawyers who have been admitted to practice in Mississippi for more than 50 years will be honored at the annual meeting of the Mississippi Bar Foundation, Incorporated, on Friday, June 26, in Biloxi, announced Frank E. Everett of Vicksburg, foundation president.

The honorees will receive a certificate and a special lapel button commemorating their 50 years of practice. The awards will be presented at a breakfast meeting in the Broadwater Beach Hotel.

Gulf coast recipients include William M. Colmer, Pascagoula; William Ettopinal, Gulfport; William L. Guice, Biloxi; Luther W. Maples, George R. Smith, and Clayton Rand, all of Gulfport.

Hurley S. Loder, U.S. Navy, son of Mr. and Mrs. Colton Loder, of Dothan, is aboard the U.S.S. Gam, and they are now in Peru, helping the people after the earthquake. The ship is sitting in the harbor and is being used as a 1,000 bed hospital. The Gam is a hospital carrier.

Rep. Lonnie Smith Named To Committee

Lonnie Smith, State Representative of Hancock and Pearl River counties, has been appointed by Jim Buck Ross, Commissioner of Agriculture and Commerce, to serve on a special nine-man advisory committee on eradication of fire ants.

The special committee is composed of five members from the House of Representatives and four members from the Senate of the state legislature. The committee will act in an advisory position to Commissioner Ross and the State Plant Board, the coordinating agency.

The 1970 session of the state legislature appropriated \$1 million to be used toward the control and eradication of fire ants on a statewide basis. This money is to be used to match federal money on a dollar for dollar basis in conjunction with a statewide eradication program.

At present fire ants infest 120 million acres in nine southern states. Approximately 12 years will be required to eradicate the imported pest completely. The plan is to begin at the northernmost limits of the infested region and move southward. During this time every effort will be made to provide temporary relief to local areas inside the regional zone.

nue, Bay St. Louis, telephone 467-4711.

Presently, the Forester is spending most of his time in the field checking Hancock forest lands for damaging insects which start out in downed and damaged trees.

Insect checking is done through a cooperative effort be-

tween land and air observation.

Forestry planes fly the area with two observers who locate insect damaged areas on maps which are then studied by foresters who go into the area to determine the amount of damage and make recommendations for insect control.

AND MRS. BRUTUS BILBO ACCEPT DELIVERY OF CHEVROLET BISCAYNE 4 DOOR SEDAN FROM LAMAR-LANE SALESMAN, J.C. KOENEN.

Mr. and Mrs. Brutus Bilbo of Coe Community in Hancock County were thinking about buying a new car. They had been reading in the paper and were told the place to shop before they bought was Lamar-Lane Chevrolet, they paid them a visit. At Lamar-Lane they were greeted by courteous salesman J.C. Since it gets pretty hot in these parts, one of the Bilbos wanted an air conditioned car.

Mr. Bilbo gave the Bilbos a Lamar-Lane price on a Chevrolet Biscayne 4 door sedan with air conditioning and a good deal and they drove it home. Mr. and Mrs. Bilbo want to recommend Lamar-Lane Chevrolet salesman J.C. Koenen to all of their friends in need of a new car or truck. If you're thinking about buying a new car or truck, the time is now, the time is now, the time is now. Call Lamar-Lane Chevrolet, ask for salesman J.C. Koenen, he could save you many dollars.

Bay Baseball Teams Win Two From Pass

The Bay-Pass Babe Ruth Seniors Baseball League reached the required number of four teams last week when another Bay team took the field.

All four teams saw action Sunday on the Bay High diamond when Bay Team No. 2, squeezed by the Pass Knights 5 to 4 in the opener. In the second game Bay Team No. 1 mauled the Pass Pirates 10 to 2.

Uniforms for the two Bay teams will be issued at one o'clock Sunday afternoon at McDonald Field. Registered players are required to report for their uniforms.

There are still a few openings for boys aged 16 - 18 on all four teams.

Babe Ruth League play will continue at Pass Christian Sunday, June 28, when the Pass Pirates meet the Pass Knights beginning at 1 p.m., followed by a game between Bay No. 1 team and Bay No. 2 team.

Elected Officer

DAVID GALLESBY was elected commodore of Bay-Waveland Junior Yacht Club at last Tuesday's meeting. Others named to office were Mark Bogha, vice commodore and Ann Robinson, secretary-treasurer.

It was announced the group will hold junior night on Tuesday from 8 to 10 at the Yacht Club. All members are invited.

MR. AND MRS. BOBBY JOE JONES OF GULFPORT ACCEPT DELIVERY OF THEIR NEW CHEVROLET FROM JOE BERMOND, SALESMAN AT LAMAR-LANE CHEVROLET IN BAY ST. LOUIS.

Mr. Bobby Joe Jones of Gulfport was interested in buying a new car. He shopped around a bit for he figured he could get a better deal. At Lamar-Lane he was who would give him the best deal. At Lamar-Lane he was greeted by courteous salesman Joe Bermond. His brother had bought from Lamar-Lane and he was very happy with the deal he received and that is one of the reasons he visited Lamar-Lane Chevrolet. All the good things his brother told him about how friendly the folks at Lamar-Lane were, proved to be true. Joe Bermond gave Mr. and Mrs. Jones a Lamar-Lane price on a new Chevrolet which they had in their large stock that was just the type of car they were interested in and it was a very good deal. Mr. Jones was very much impressed with the professional service department that Lamar-Lane Chevrolet has, as it is one of the best in this area, as all of their service personnel are factory trained and experts in their fields. If you want to buy a new car, visit Lamar-Lane Chevrolet and ask for salesman Joe Bermond, he could save you many dollars.

Fire Damages Candy Shoppe

Fire, originating in the kitchen of Stuckey's Candy Company, located on Highway 90 in Waveland, caused an estimated \$12,000 of damage to the building on Sunday morning. The Waveland Volunteer Fire Department, the City of Waveland's Fire Department and the Bay St. Louis Fire Department answered the call and fought the blaze about two hours before bringing it under control, according to Robert Lucas who served as President of the Volunteer Fire Fighters.

Lucas said the fire was reported at 6:30 a.m. Sunday by a truck line driver who saw smoke billowing up from the Stuckey's building and went to a pay telephone to report the fire and to remain on the scene until the fire engines arrived. Lucas was unable to immediately identify the name of the truck driver or the line he represented.

Waveland Volunteer Fire Department returned Sunday afternoon to the Stuckey building after some smoldering charred wood started to blaze again, however, the work done at that time was described as "minor" by Lucas, who said success in control of fire was made possible by the fine cooperation of the Waveland City Council who appropriate funds sufficient to keep the fire fighting equipment in top shape. There are 21 members in the Waveland Volunteer group and on a rotation basis one man remains on duty at the fire station each night.

The fire department is headed by Chief Ken Fayard and the assistant chief is David Garcia.

Re: Letter to the Editor - Ernest Mitchell - Thursday, June 8, 1970.

Let this letter be our official notice and request that the Sea Coast Echo make a retraction dealing with the various matters set out in the letter duly written by Ernest Mitchell. In order that there will be no misunderstanding, I call your attention to the following erroneous statements:

1) Line 1 through 8, paragraph 2 - "And did you know they are furnishing the Chief of Police with a car, in case you don't, he has a car that belongs to the city that he keeps at his home and when he is not working, uses it for his own private use."

In reference to this statement, please be advised that the City of Bay St. Louis has six (6) regular full time policemen work on hourly basis and are paid a monthly salary. The Chief of Police is on call twenty-four (24) hours a day, and it is necessary that a vehicle remain in his use and control in case of an emergency, and I am sure that you are aware that we have had quite a few emergencies in Bay St. Louis within the last year. I call your attention specifically to a small incident which occurred on August 17, 1969. If you are not aware of what took place on that date, I might state that it was Hurricane Camille, which did devastate the area.

I also call your attention to the fact that there have been two (2) murders in the City of Bay St. Louis since Chief Goodsell became Chief of Police, and it was necessary that he investigate these incidents, and had he not had a police car they would not have been able to contact him, nor would he have been able to arrive at the scenes and perform his duties as Chief. In reference to using the police car for his own private use, there is no basis or foundation for this statement.

Accident Kills Bay Resident

No autopsy report has yet been released concerning the death of Milton Dudenhofer, Sr., who was pronounced dead on arrival at the Hancock General Hospital at 3:15 p.m. on June 18.

Dudenhofer, a retired foreman from the New Orleans Jackson Brewing Company, had made his home in Bay St. Louis for the past two years and lived at 103 Carondelet.

It was reported that an accident occurred on Highway 90 near the intersection of Highway 90 and Highway 100.

At the Town Board meeting in Waveland last week the Board increased the pay of Auxiliary Police from \$55.00 per month to \$80.00, named Otis Singleton to fill the vacancy on the City of Waveland Housing Authority and passed a resolution that no motor vehicle motor and one motor gas motor could be used at each of the three sites for the low-rent housing projects.

There was considerable discussion on calling a special election in August for a bond issue, the money to be used to implement the federal grant for a sewerage system in Waveland. This move is now under study.

Three Princesses Represent Hancock

Miss Fahey de Benedetto is one of three Hancock County residents who will be presented at the Annual Deep Sea Fishing Roddeo on July 2 and at 7:00 p.m. to compete for the title of Fishing Queen for 1970.

Miss Susan Louise Hammer, daughter of Mr. and Mrs. George Hammer, 515 Esplanade Ave. in Bay St. Louis was selected to represent the City of Bay St. Louis.

Miss Deborah Ann Weldman, daughter of Mrs. Stanley E. Weldman, was chosen to represent the City of Waveland.

Thirteen princesses, each abundantly endowed with talent and charm, compete to replace the 1969 Fishing Queen, Miss Connie Fennell of Long Beach who has represented Mississippi throughout the year with graceful success.

Miss Fahey is a senior at the University of Mississippi, where she is majoring in Biology with the intention of doing graduate work in Marine Biology.

She was graduated from St. Joseph's Academy in Bay St. Louis and is a member of Alpha Delta Pi, social co-rorty. In her sophomore year she was selected as a member of the CWENS, an honorary leadership organization. She is an American Red Cross Senior Life Guard and water safety instructor. Hobbies include sewing and skin diving.

Bay St. Louis's representative, Miss Susan Louise Hammer, is a graduate of St. Joseph Academy High School in Bay St. Louis. She is a Junior in the School of Nursing at Louisiana State University where she belongs to the LSU Association of Student Nurses and the National Student Nurses Association.

Miss Deborah Ann Weldman, who represents the City of Waveland, during her senior year at Bay Senior High was selected Homecoming Queen and most versatile. She lettered four years in basket ball and two in tennis. During her Freshman year in the School of Nursing at Pearl River Junior College she was a class officer and treasurer of the Mississippi Association of Student Nurses. She was selected homecoming maid, was a Presidential list scholar and invited to join Phi Theta Kappa Honor Club.

Vandals Will Be Prosecuted

Due to the numerous acts of vandalism committed on Hancock County equipment, Russell Elliott, President of the Board of Supervisors declared that any person apprehended for an act of vandalism against county property would be prosecuted to the full extent of the law.

Last week a piece of heavy equipment owned by the county was damaged by breaking of gauges, bending oil lines and breaking out windows in the cab.

BENNETT SUACIER, 16, of Bay Senior High School and Leslie Williams, 14, of St. Rosa de Lima, work together on the Neighborhood Youth Corps project of painting city fire hydrants in Bay St. Louis.

Notes About Vacations

Advice has been released for those planning a vacation in order to minimize health problems that could cut short an enjoyable trip. "Nothing can spoil a vacation like illness," the International Health Survey spokesman commented and added: "See your family physician as soon as you have made your vacation plans to allow time for immunizations to become effective. A thorough physical check up is advisable."

If you are planning a trip abroad, the only immunization usually required for re-entering this country is a smallpox vaccination. Experts often recommend immunizations against tetanus, diphtheria, polio and typhoid-paratyphoid. Children should have measles and rubella (German measles) vaccinations and be immunized against pertussis (whooping cough). Other shots may be needed, depending on your itinerary.

It is a good idea to pack an inexpensive medical kit to cope with minor health problems, the report continued and suggested including aspirin, antibiotic ointment, a fever thermometer, antihistamines, a first aid kit, a tetracycline antibiotic for diarrhea, milk of magnesia, insect repellent, eye drops and a suntan cream. Also suggested is a spare pair of eye glasses or sunglasses.

The taboos, especially if you are planning a Mexico trip, are to refrain from drinking tap water unless you are certain it is safe (this goes, too, for the ice cubes and water for brushing teeth). The bottled water is much safer. For raw salads, be sure the fruits and vegetables have been washed in boiled water. Milk should be boiled first.

Final suggestions are "don't over do". Take a nap and a bath upon arrival. Unwind muscle cramps or a head ache with a couple of aspirin—then sight-see and enjoy.

prints in connection with the sewerage system installation, and indicated with red pencils the placement of fire pipes. The Youth Corps is using these blueprints, making occasional additions where new installations have been located. New maps will be up-to-date information for the City of Bay St. Louis.

Fourth High Jump Record

Walden Curry, Bay High athlete, added another record to his string of high jump records when he cleared the bar at six feet, four inches during the Southern Division of the Junior Olympic track and field meet held in Jackson Saturday. Curry is the holder of Gulf Coast Conference, District and State high jump records.

Other Bay High athletes entered in the meet were Roger Mayo, Steve Allain and Dale Lolacano. Roger Mayo took a second place with a 47 foot, 9 inch Shot Put and placed third in the discus throw. Dale Lolacano placed second in the 12-pound shot put with 36 feet and a half inch and third place in the 8-pound shot put. Steve Allain's 10.2 in the 100-yard dash was not fast enough to qualify. Curry, Mayo and Lolacano are qualified for the Regional Junior Olympics in Corpus Christi, Texas, July 24, Track and Field fans who would like to contribute toward the boys' expenses in attending the meet should contact Coach J. E. Lolacano at Bay High.

Medical Contor Rocivos Machine

CANCER TREATMENT
A step beyond cobalt has been added in cancer treatment at the University Medical Center of Jackson, Mississippi in the form of a linear accelerator — the machine is the first of its kind in the State of Mississippi and one of only twenty-two within the nation.
The accelerator went into operation in mid-March and that time 1,575 cancers were treated as of mid-June. The patient load averages 45 a day. The appointment book is reportedly "loaded" with no free slots in sight.

Mississippi Regional Medical Program grant funds paid most of the \$150,000 cost of the accelerator and also remodeled a room at the Medical Center to meet specifications. "The cost of the machine is almost double the cost of the cobalt equipment", a spokesman said, who added the difference in cost will be considered small over a period of several years, since the accelerator has an unchanging power source, will operate on electronically produced high energy rays, made with a flick of a switch while cobalt wears out. Energy is twice the strength of cobalt and it cuts the patient's time under the beam to about 90 seconds. Those saved minutes allow more people to be treated every day.

Linear accelerator therapy requires at least six health professions all with specialized skills for each patient and these persons are in short supply. Education courses for in-practice radiologist and others involved in treatment are in progress.

NYC Program Now Underway

Teams of workers from the Neighborhood Youth Corps are off to a good start with the work of painting Bay St. Louis city fire hydrants. The lower sections of these hydrants are luminous paint coated and glow in the dark adding to the safety of automobile traffic as well as that of pedestrians. To view completed work, hydrants opposite the Webb Center may be seen, as well as approximately twelve additional ones.

"When this work is completed", explained Robert Reighner, program administrator, "the exact number of fire hydrants in operable condition will be charted on a map, and a code done by color at the top of the hydrants will enable firemen to know the size of the hydrants in the area". In 1967 consulting engineers White, Inc., made blueprints for the project.

Mr. and Mrs. Frank La Rosa and grandson Timothy Bourgeois were guests for Father's Day of Mr. La Rosa's son-in-law and daughter Mr. and Mrs. E. C. Niolet in Pass Christian.

Mr. and Mrs. Robert L. Wade of Rantoul, Ill., returned home Monday after a week's visit with their son and daughter-in-law Mr. and Mrs. Robert E. Wade and family. Also visiting in the Wade home over the weekend were her parents Mr. and Mrs. John Green of Franklin, La.

John Wade is back home after a week's visit with friends in Palo Verde, Calif.

Timothy Bourgeois arrived June 11 from Springfield, Va., for a visit of several weeks with his grandparents Mr. and Mrs. Frank LaRosa and his uncle and aunt Mr. and Mrs. Jake Morreale.

Timothy is the son of Lt. Col. and Mrs. Randolph Bourgeois, former Bay St. Louis residents.

Mrs. Carmelite Soucier, who underwent major surgery two weeks ago at Hancock General Hospital, was discharged Tuesday and is recuperating at her home on Newcove Avenue.

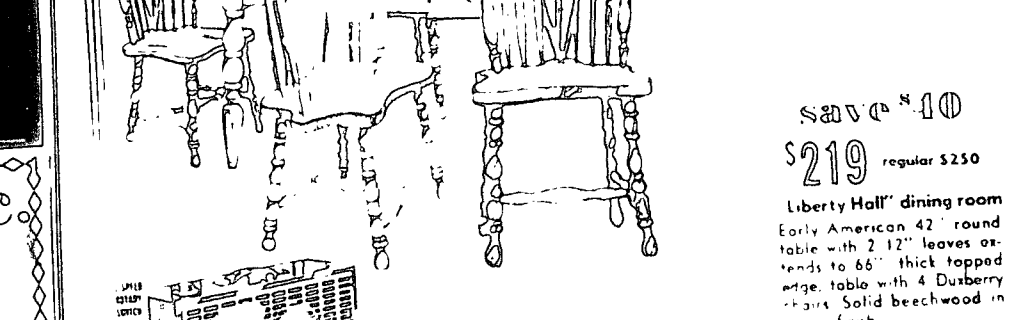

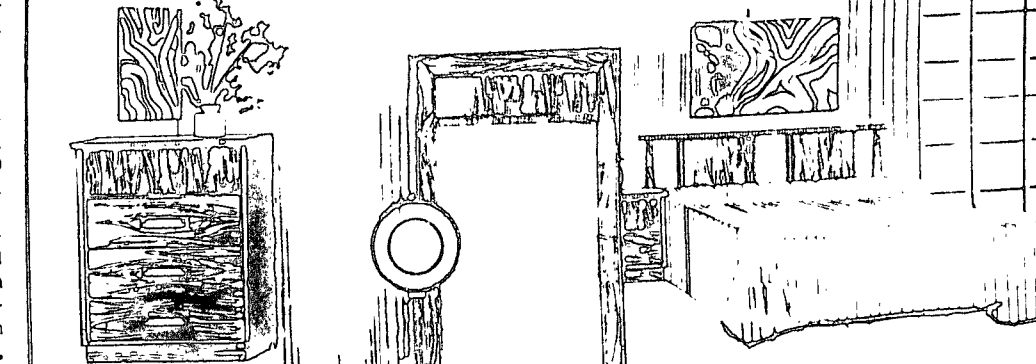

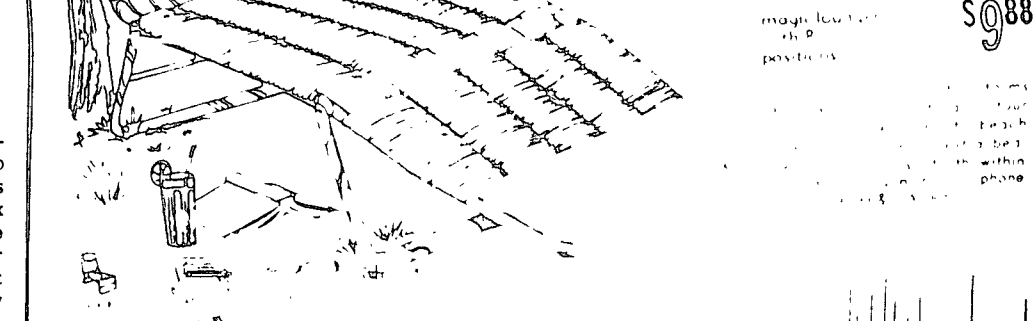

Mrs. Elmer Boyd of Jackson, Miss., who has been with her mother during her illness, will remain for a while longer.

Mrs. George Proulx of Ponton, Ill., visited for several days last week with her parents Mr. and Mrs. John Chevio and family.

Father John W. Bowman Attend National Meet

Father John W. Bowman, Provincial Superior of the Divine Word Province of the Gulf Coast, will attend the 11th Annual Assembly of the Society of the Divine Word in Dayton, Ohio, (CMSH) in Dayton, Ohio, July 1-5. The annual meeting of the Society of the Divine Word will be held on the campus of the University of Dayton from June 28-30, 1970. The 11th Annual Assembly of the Society of the Divine Word will bring together 800 members of the Society of the Divine Word from 25 countries and will discuss the future of the Society and the role of the Society in the world.

JOHN W. BOWMAN, S.V.D., Provincial Superior of the Divine Word Province of the Gulf Coast, will attend the 11th Annual Assembly of the Society of the Divine Word in Dayton, Ohio, July 1-5.

CORNELIU BOYD, 16, of Bay Jr. High School moves the lawn at the Webb Center Community House. He is an enthusiastic Neighborhood Youth Corps worker.

Vacationing in Germany

Father John Gasper, S.V.D., left Bay St. Louis Tuesday for a three-week vacation in Germany. Flying from New Orleans to Berlin, he will then go to Ireland for a few days and then on to Germany.

A native of Duxon, Rhineland, Germany, Father Gasper was educated by Divine Word Missionaries in their Seminary, St. Wendel in Saar, Germany. St. Augustinus in Cologne, Germany, and St. Gabriel in Vienna, Austria; and on May 28, 1939, he was ordained a Divine Word Missionary priest in Vienna.

In the United States, Father had the job of dean of students in the High School Department of St. Augustinus Seminary, Bay St. Louis, from 1931 to 1937, and served as Rector of the Seminary from 1937 to 1943. Upon completion of these two three-year terms as Rector, he did parish work at St. Joseph, Moridian, Sacred Heart, Greenville, and Holy Ghost and Christ the King, Jackson, Miss. In June 1964 the Superiors recalled him to Bay St. Louis to reassume the task as Rector of St. Augustinus.

His Superiors relieved him of the duties as Seminary Rector in June 1967, at which

time Bishop Joseph B. Brunini, Natchez-Jackson Diocese, requested Father Gasper to serve as an assistant priest in Our Lady of the Gulf Parish while still residing at St. Augustinus Seminary.

During these three years Father has done full-time work in the parish, celebrating sacraments, hearing confessions, caring for the sick and aged in the hospital and at home, and teaching C.C.D. classes.

Father Gasper will travel from Boston to Ireland in the company of Father John O'Brien of St. Paul, Pass Christian. Father O'Brien will spend two or three days showing Father parts of Ireland. From there Father Gasper will fly to Germany, returning to Bay St. Louis in August.

Coast Bus Service To Be Discontinued

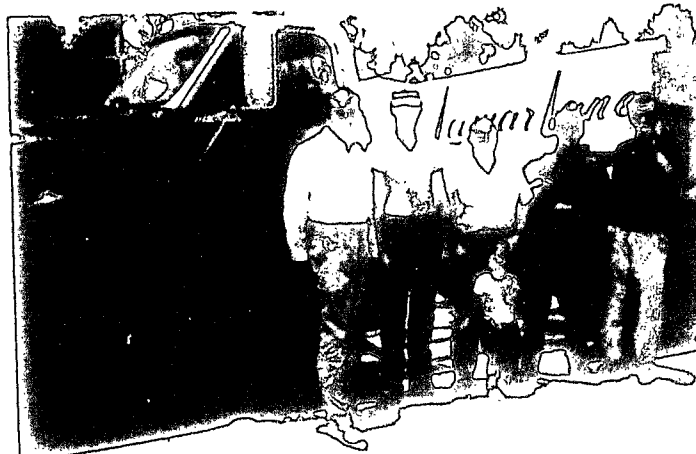

The Municipal Transit Lines Inc., which operates a bus service along a 27-mile stretch of Beach Front serving the cities of Pass Christian, Long Beach, Gulfport and Biloxi, announced bus services will be discontinued because of operating cost deficits. Temporarily the service to be continued in hopes that the communities involved may be able to work out a solution to the problem.

A Transportation Association is in the organizational stages in Harrison County in an attempt to preserve the coast-wide bus service. Both Biloxi and Gulfport are naming two members each to the association, while Long Beach, Pass Christian and Ocean Springs are naming one member each.

State Senator, Ben Stone, temporary counsel for the association says a research team will be hired to study transportation needs. Temporary rate increases have been granted the bus line to help outlast the existing line until solutions can be worked out.

The mass transportation problem to a crisis since many working people of lower-income and lower-middle income families had automobiles that were not covered by insurance when Camille struck. Destroyed cars, in most cases, have not been replaced due to the over-all financial drain storm created and otherwise.

Brightest hopes for mass transit on the Mississippi Gulf Coast are securing federal matching funds and the newly formed association will proceed a-

MR. BEN MORREALE AND FAMILY OF WAVELAND ACCEPT DELIVERY OF HEAVY DUTY CHEVY TRUCK FROM SALES- MAN J.C. KOENEN OF LAMAR-LANE CHEVROLET IN BAY ST. LOUIS.

Mr. Ben Morreale of Waveland was in need of a new heavy duty truck for his hauling business. Mr. Morreale knows that Chevrolet was his preference, so he visited Lamar-Lane Chevrolet and talked to salesman J.C. Koenen. Since Mr. Morreale had other dealings on new vehicles with J.C. Koenen, he knew that he would give him a good deal. J.C. Koenen gave Mr. Morreale a Lamar-Lane price on a Chevy Heavy duty truck that was the type of vehicle he was looking for and at a price that was to his liking. Many folks are finding out about the wonderful deals offered by Lamar-Lane Chevrolet, they have as well as new Chevy cars, pickup trucks and heavy duty Chevy trucks to do just about whatever job you may have. If you need new trucks for your business, visit Lamar-Lane Chevrolet and talk to the truck expert J.C. Koenen, he could save you many dollars.

Prosser-Rawls Wed Our Lady of the Gulf

Our Lady of the Gulf Catholic Church was the setting for the wedding Saturday, June 13, of Miss Marilynne Grace Prosser, daughter of Mr. and Mrs. Raymond Frederick Prosser of Bay St. Louis, and Vance Quitman Rawls Jr., son of Mrs. Vance Quitman Rawls and the late Dr. Rawls of Andalusia, Alabama. Rev. Gregory Frank, St. Joan of Arc Church, New Orleans, celebrant of the 11 a.m. Nuptial Mass, performed the double ring ceremony. He was assisted by Rev. Gregory Johnson, pastor, Our Lady of the Gulf Church. Andrew and Alan Lagarde served as Acolytes.

White gladioli and miniature pink elegance carnations banded the altar and backdrops of similar blossoms and palms graced the chancel.

Mrs. John McKenna, organist, and Mrs. Theodore Thomas, cantor, sang several numbers, including "Pans Angelus," Ave Maria and "O Lord, I Am Not Worthy."

Given in marriage by her father, the bride wore a formal gown of white silk organza trimmed with tulle and lace. A high sculptured neckline highlighted the gown's design; the long sleeves were added for a complete combining of the old with the new. A headpiece of co-ordinating white lace upplined with crystals and pearls held the long veil of illusion which flowed over the cathedral train. She carried a cascade of white bride's roses interspersed with pink sweetheart roses.

Miss Marian Curry, Alexandria, Va., served the bride as maid of honor. Miss Karen Anna Prosser was bridesmaid and Miss Patricia Jeanne Prosser, sisters of the bride, and Madeline Anna Jones, all of Bay St. Louis, were junior bridesmaids.

The bridesmaids wore gowns of pink Alsatian finished on a sleeveless Empire pattern trimmed in pink and green. Junior bridesmaids wore green. They all wore headpieces of white organza flowers in clusters to match their dresses and carried cascades of red sweetheart roses centered with a pink fabric Lily.

Comm. Wilson, Birmingham, Ala., served the groom as best man and David Johns, Bay St. Louis, Comm. Richard Vane, New Orleans, Kevin Leggett, Bay St. Louis, two groomsmen, Victor, Baton Rouge, and Harvey May, Waveland.

White and pink carnations and white gladioli decorated

the rooms for the reception at the American Legion Home, Green Meadow Road, immediately following the ceremony.

The bride's cake table, overlaid with a crocheted cloth made by the bride's grandmother, Mrs. Fred Prosser of Mount Angel, Oregon, was centered with a four-tiered cake trimmed in pale pink spun sugar sweetheart roses topped with a bride and groom beneath an arch of white and pink sweetheart roses.

The punch table was covered with a pink silk cloth trimmed with white net ruffles. The bride's mother chose for the occasion a light green Lutyens' dress with white accessories and a yellow sweetheart corsage.

The mother of the groom wore a blue linen dress with lace insets and bow at the waist and a corsage of white roses.

Mrs. Pauline Warr, aunt of the bride, presided at the punch bowl, and Mrs. Bonnie Blass, another aunt, presided at the cake table. Misses Bonnie and Debbie Gatlin kept the guest register.

Misses Robin Pitkin and Sherrill Elliott and Bob and Jodie Hare, cousins of the bride, distributed rice bags to the guests.

For their wedding trip to Florida, the bride wore a long-sleeved dress of aqua crocheted knit with a sleeveless aqua Alsatian coat and white accessories. A corsage of yellow sweetheart roses completed her attire.

The couple will make their home in Cullman, Alabama. Mr. and Mrs. Rawls are recent graduates of the University of Southern Mississippi. The groom is presently employed by the Bandit Corporation, Cullman. The bride was a member of the faculty of Marion Abramson Senior High School, New Orleans, the past year.

Out of town guests were Miss Judy Frank, Mr. and Mrs. Comor Wilson, Portland, Oregon, Mr. and Mrs. E. R. Perkins, Mr. and Mrs. Miss Cotton

Bay Couple Entertained

Mr. and Mrs. Robert Riemann, Mr. and Mrs. Mack Riemann and Mrs. Ernest Riemann, hosted a dinner party June 13 at Annie's Restaurant, featuring Miss Kathleen Jacobs and Thomas Chapman who were married June 13 in Our Lady of the Gulf Catholic Church. Guests included members of the Jacobs and Chapman families.

Seven Enter Queen Contest

To date seven girls have entered the Queen for a Day contest sponsored by St. John's Parish, Lakeshore.

Mrs. Wendy Walters, granddaughter of Mr. and Mrs. Frank Mitchell of Bay St. Louis and Mr. and Mrs. Ray Borgeas, Lakeshore; Theresa Heilker, granddaughter of Mr. and Mrs. P. G. Dupont, Bay St. Louis; Jeannine Fucich, daughter of Mr. and Mrs. Val Fucich; Yun Drela Usher, daughter of Mr. and Mrs. August Usher; Ruthie Garcia, daughter of Mr. and Mrs. Eldredge Garcia, Lakeshore; Mary Elizabeth Schmitt, daughter of Mr. and Mrs. Mike Schmitt, Clermont Harbor and Carolyn Spiera, daughter of Mr. and Mrs. Hayward Spiera, Bay St. Louis.

The contestant who sells the largest amount of tickets for the annual church fair to be staged July 18 will be crowned Queen for a Day at the fair and will receive a trophy. All other contestants will reign as princesses and will also receive a gift.

Girls of all ages are invited to enter the contest. Further information can be obtained by calling Mrs. A. M. Thomas at 467-5860.

MRS. WILLIAM MYERS

Fountain-Myers Vows At McComb Baptist

First Baptist Church of McComb was the setting for the wedding of Miss Betty Rillman Fountain and William Milton Myers, son of Mr. and Mrs. William Tullman Myers of Raleigh. The bride is the daughter of Mr. Calvin William Fountain and the late Mr. Fountain.

Dr. John Lee Taylor, pastor, officiated at the double ring ceremony. Nuptial music was provided by Mrs. Phillip Brady, organist, and Mr. Don Williams, soloist. The wedding was directed by Mrs. Ward Stokes.

Potted palms were banded to form a background for the ceremony and among the over-greens were white tapers in candleabra.

Given in marriage by her brother, Gary Otis Fountain, the bride wore a formal Alsatian gown of ivory organza with a pearl and crystal pearly orange appliqued empire bodice, Victorian neckline and Peruvian sleeves. The skirt and detachable bordered train were appliqued in matching pearly orange with pearls and crystals. Her veil of ivory silk illusion fell from an ivory organza multi-looped bow, accented with lace flower appliques and a pastel flower center. The bride carried a cascade bouquet of white roses and stephanotis and a hand knit lace handkerchief made by her maternal great-grandmother.

Mrs. Malcolm D. Nursery of New Orleans was matron of honor. Bridesmaids were Mrs. Alfred Snyder, Waveland, cousin of the bride, Miss Shirley Chansy, Meridian, Miss Esther Frishman, Natchez, and Miss Lou Stokes, McComb.

The attendants wore formal gowns of pastel pink silk tulle featuring square necklines, short bell sleeves, empire waistlines softly draped in back, accented with a bow. Their

headpieces were of matching pink bows attached to layered circles of tulle. They carried colonial bouquets of pink roses, white pompoms, and gypsophylla with mint green ribbon streamers.

Charles E. McComb, Louisville, served as best man. Groomsmen and ushers were Torry Alomdar, Oxford, Sammy L. Moon, Amory, George Rich, Cleveland, Ernestine W. Wells and Stewart Guernsey, both of Jackson.

For her daughter's wedding Mrs. Fountain selected an ice blue Alsatian silk wedding gown featuring a low oval neckline, elbow length sleeves, jeweled buttons and a white orchid corsage. Mrs. Myers, mother of the bridegroom, chose a mint green dress with lace bodice, cap sleeves and wore a yellow orchid. The bride's grandmother, Mrs. Lamar Otis of Waveland, wore a white lawn with green print and a white orchid corsage.

Following the ceremony, a reception was held at the Holiday Inn. The bride's table, covered with a white lace cloth, held a three tiered wedding cake trimmed in roses, topped with wedding balls. Silver candleabra with white tapers and the bride's bouquet completed the table arrangement. Another table centered with a silver spargue of pink roses, white pompoms and gypsophylla, held the silver coffee service and silver punch bowl. The table with the guest register held the memory candle with pink roses, white mums and fern. Rice bags were handed to the guests from a pink rice tree.

For the wedding trip the bride chose a blue linen dress with matching coat, accented with a blue, yellow and green scarf. Her corsage was a yellow centered white orchid. Among out of town guests attending the wedding and re-

ception were Mr. and Mrs. Lamar Otis, grandparents of the bride, Miss Alma Parker, Mrs. Gladys Chapman, and Mr. Henry L. Otis, all of Waveland, Mrs. V. A. Arendale, Fort Walton Beach, Florida, Mrs. R. D. MRS. GLENN WARWICK SMITH

Osoinach-Smith Vows Said In New Orleans

The marriage ceremony of Gloria Jan Osoinach and Glenn Warwick Smith was performed at the Carrollton United Methodist Church on S. Carrollton Avenue, Saturday, June 6, 1970 at 2:30 p.m. by Dr. James Harris. A reception was held following the ceremony in the Fellowship Hall of the church.

Jan Osoinach is the daughter of Mr. and Mrs. Henry Waterson Osoinach, Jr. formerly of Bay St. Louis now residing in New Orleans and Glenn Smith is the son of Mr. and Mrs. Charles Francis Smith, Jr. of Baton Rouge, Louisiana. Maid of honor was Tamar Osoinach, sister of the bride and the bridesmaid was Beryl Schaefer of New Orleans with Charles F. Smith, III as best man and Jack Guzzardo of Amite, La. as groomsmen. The ushers were Perry Tatum of New Orleans and Hank Osoinach, brother of the bride.

The ceremony began with Anton Osoinach, 9 year old brother of the bride, lighting candles placed in front of the stained glass windows of the church. The soloist, Mr. Howard McAfee of New Orleans sang "Make of Our Hands One Hand" and at the end of the service "The Lord's Prayer" with Mrs. Eugie Pasera at the organ. The church was decorated with floral basket arrangements with additional floral and ribbon decorations draping the altar rail and stained glass windows.

Serving at the punch bowls at the reception were Mrs. James J. Alden and Mrs. R. F. Morrow, Sr., aunts of the bride and Mrs. Lyle Windlepleck of Columbus, Miss. served the wedding cake.

The bride's gown was empire of white silk organza with camelot collar and bodice of peau d'ange lace. Seed pearls and crystals formed flower-like clusters on the collar and bell-shaped lace sleeves. They covered buttons extended from the back of the collar to the chapel train which was accented with lace appliques. The bridesmaid dresses were pink chiffon empire gowns with rolled ring collars and accordion pleated chifton sleeves. Satin ribbon beneath the bodice centered with Swiss Venice Lace trim and a lace satin bow at the back.

Out of town guests were: Mr. and Mrs. Charles F. Smith, Sr. of Yonkers, New York; Mr. J. R. Knobloch of Baton Rouge; Mr. C. J. Aillet, Mrs. Betty Jo Johnson, Mr. and Mrs. Ralph Macbey, Mr. and Mrs. William Gallman, Mr. and Mrs. Joe Kinnamore, Mr. and Mrs. T. C.
